#### Curriculum

Our curriculum uses the criteria from the National Curriculum to teach and recap skills for writing (writing secrets). We combine this with a strong emphasis on oral literacy and reading, using carefully tailored text models to support children internalise the language structures needed to write. Children use toolkits to enable them to embed a variety of genres.

Progression in Writing is ensured through our curriculum, text models, tool kits and Progression in Sentence Types document.

## **Key Concepts**

We ensure that children experience a wide range of genres, focuses and toolkits for both fiction and non-fiction units throughout their primary school literacy journey.

Spelling – We use Twinkl phonics and the Spelling encourage children to think deeply about the Shed scheme to discretely teach spellings and children are encouraged to respond to spelling feedback daily.

Grammar-Our curriculum teaches grammar explicitly through daily shared writing and purposeful, fun games.

## Subject Specific Approach

We use a combination of the 'Talk4Writing' approach and sentence stacking to teach writing and literacy skills. We create engaging models for writing which are designed to text and participate in close reading. We use strong and stimulating 'hooks' which improve children's engagement levels; impacting positively on their overall attainment. Children bank ideas at word and sentence level to support their writing. Handwriting is taught weekly to develop a consistent style.
